*Home-based Travel Company Recognized by Florida Trend
and South Florida Business Journal*

Fort Lauderdale, Fla. (August 13, 2014) – Leading home-based travel agencies CruiseOne® and Cruises Inc.®, which are part of World Travel Holdings, have been recognized by *Florida Trend* and *South Florida Business Journal* on their annual lists of Top Private Companies based on revenue.

“We are honored to be included on these prestigious lists alongside some of the biggest private companies in the country, although it wouldn’t be possible without the dedication and hard work of our franchisees, independent vacation specialists and employees who support them,” said Debbie Fiorino, senior vice president of CruiseOne and Cruises Inc. “Our inclusion on these lists is indicative that the travel industry is booming and that Americans continue to see the value in using a travel agent.”

Florida Trend, a monthly magazine focusing on the business and politics that shape Florida, ranked CruiseOne and Cruises Inc. 162 out of 225 private companies that are headquartered in Florida. This is the first time CruiseOne and Cruises Inc. were included on this list.

For the third year in a row, the regional business magazine *South Florida Business Journal* included CruiseOne and Cruises Inc. on its annual Top 100 Private Companies list. The company improved its ranking by 14 spots and is now ranked 23 out of 100.
